

## KURI DRESSER

The Kuri Dresser completes the Kuri bedroom range and is seen here in beautiful Tasmanian Oak timber with a Natural Oil finish.

As with the rest of the Kuri range, the dresser has a simple aesthetic but with considered sculptural details including a tactile finger pull for the drawers.

The Kuri dresser features hidden soft close drawer runners and is available in one standard size. However, if our standard size doesn't work for you we can custom make the dresser to your specifications.
