

RIMA DINING TABLE

The Rima dining table is all about dramatic looks and versatility. An accentuated leg angle combined with an organic heavily shaped end rail provide the dramatic look.

The Rima table has an option of six drawers to provide added versatility, whether it is day to day cutlery, electronic devices, or old fashioned pen and paper.

Rima is designed to be a functional dining table, but is equally suitable as a grand desk, with cable routing options available.

Featured here in American Oak with a Faun Natural Oil / Hardwax finish.
